

### **Fundraising Program**

RoboGym Robotics of North Shore, Inc. seeks your support to help us achieve our mission to promote STEM education through its programs and related activities for the North Shore School District. RoboGym is seeking to raise \$20,000 in fundraising from corporate and individual donations for a successful 2022-23 build season. The receipts will be used for parts, tools, and equipment to build the best robot possible, along with other costs to support a successful competition season.

### **We ask for your support!**

We have a tiered fundraising approach to accept donations from supporting organizations and individuals, with "Sustaining Partner", "Titanium", "Steel", "Aluminum" and "Wood" sponsor levels. Each sponsor level includes unique benefits that are available to donors for the current 2021-22 school year.

### **Sponsorship program**

<b>Donation Amount</b>	<b>Donor Designation</b>
\$3950 +	Sustaining Partner
\$1000+	Titanium
\$500+	Steel
\$ 200+	Aluminum
\$ 100+	Wood

*A description of the benefits of each sponsor designation is attached.*

**Please consider donating to RoboGym Robotics this season by completing and returning the form below.**
